1. This weekend we took a look at how God's creation reveals His glory. Take a minute and jot down your own definition of "glory."

Loui Giglio attempted to describe God's glory as "the sum of His magnificent attributes and the eternal fame of His mysterious works." Romans 11:33-36 is often referred to as the "doxology" that can be understood as a statement of God's Glory. Take a minute and pray through this passage while you reflect on His attributes, fame, and mystery.

How do the following passages help you understand how God's glory shows up in His people?

Genesis 1:26-31
Romans 5:1-2
Romans 8:28-30
2 Corinthians 4:17
Colossians 1:25-27

2. It's important that we know the God that we follow. When we begin to understand the significance of His glory we are faced with a question....."How do I respond to a God like that?" What advice do we get in Ecclesiastes 5:1-7 and Psalm 96:1-9?

3. Pastor Chris outlined some of the benefits of obedience found in Psalm 19. Deuteronomy 28 goes into a lot more depth on the same topic. In light of these chapters, how do you think it was possible for the Israelites to turn from God and disobey His specific commandments and instruction?
